

The logo for the Hulaan Bayan Pinoy Hangman Challenge is set against a dark blue background. At the top center is a yellow sun with eight rays. Below the sun is a wooden gallows with a stick figure hanging from it. The figure is a simple stick man with a white face and a small smile. Behind the gallows and figure are the Philippine national flag's colors: blue, white, and red. Below the gallows are five empty square boxes, each with a small white dot in the center, representing a word to be guessed. At the bottom, the text "HULAN BAYAN" is written in large, bold, yellow capital letters. Below this, "PINOY HANGMAN CHALLENGE" is written in smaller, white capital letters. At the very bottom, "PYTHON GAME" is written in small, white capital letters.

## GAME DESCRIPTION

## GAME CONCEPT

Hulaan Bayan builds on the GROUP 5 Advanced Hangman project while keeping its familiar letter-guessing mechanics. The transformation adds Filipino vocabulary, local interface messages, Philippine-inspired colors, and a bamboo-style scaffold. The theme connects a familiar game with everyday Filipino culture and heritage. Category selection, three difficulty levels, hints, and combo scoring give this version its own identity.

## INSPIRED BY THE PHILIPPINES

Six categories celebrate Filipino cuisine, traditional games, festivals, destinations, cultural practices, and heroes. Blue, red, gold, a sun motif, and bamboo-inspired game artwork connect the visual identity to the Philippines.
